DISTRICT 19

KIDCENTS DONATIONS A SUCCESS!

A new program through KidCents focused on local charities benefiting children in Metro Detroit. The new chapter for The Rite Aid Foundation's KidCents program started on September 15 where district teams throughout the nation publicly presented \$10,000 to more than 200 local, kid-focused charities.

In District 19, research was conducted by the Field Team to determine top organizations in the area that would benefit most from the donation and qualified for the KidCents Program.

Needless to say, The Children's Center, located on Alexandrine in Midtown, Detroit received a check for \$10,000 to help children throughout the Detroit community.

The Children's Center is dedicated to helping children and families shape their own futures. By putting children and their families at the center of all that they do, they are able to provide the most expert and compassionate care needed so children and families can heal, grown and thrive.

The Children's Center has a variety of programs for children and families including autism services, behavioral health services, overcoming trauma, medical services, school-based services, foster care services, adoption services, along with a Crisis Care Center.

Tour With The Children's Center

The District Team has set up a tour at The Children's Center so associates and friends can see what our KidCents donations in the districts are helping with.

On January 15, 2015, there will be a tour at 12:00 p.m. and 5:30 p.m. From here associates can learn more about what The Children's Center does and how they can become more involved with volunteer opportunities.

The District Team will be attending the 12:00 p.m. tour and welcome associates from all across the district to attend. Associates who may have to open the store have the option of attending the 5:30 p.m. tour. Please RSVP to DMA, Colleen Laules with the time you would like to attend by **January 6, 2015**.

Volunteer with The Children's Center

Whether you can help organize files, do some heavy lifting, enter data in a spreadsheet, stuff envelopes, or greet guests at events, The Children's Center can use your help!

To volunteer, visit The Children's Center website and click on "Volunteer" under the "Get Involved" tab. Simply visit www.TheChildrensCenter.com for more information.

Bowling in the New Year!

The CCC Committee has set up a bowling event with Districts 19 and 20. These two Metro Detroit stores will host bowling for associates on **January 6, 2015** at **Luxury Lanes** located at **600 E. 9 Mile Road, Ferndale, MI**.

From **1:30 p.m. to 5:30 p.m.**, associates will be able to bowl for \$2.50 per game and the CCC Committee will cover shoe rental, pizza, and pop.

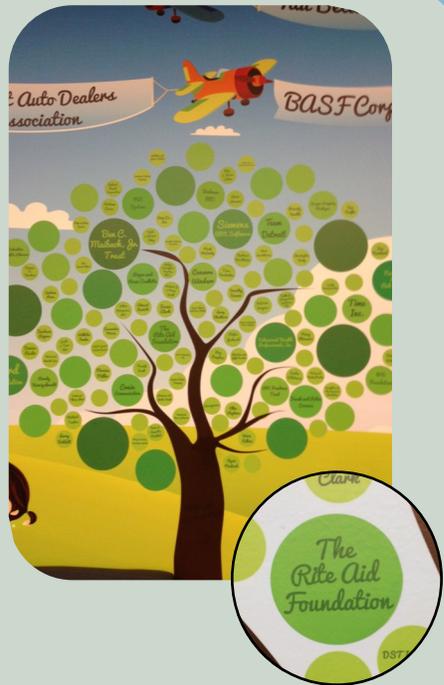

In 2013, the CCC Committee planned a picnic at Belle Isle and continues to strive for associate engagement and fun.

Please RSVP to DMA, Colleen Laules by December 22 with your anticipated attendance.

Remember the CCC Team is here to listen to you and ideas or concerns you may have as an associate with Rite Aid. Feel free to contact a CCC Member in your district!

We look forward to seeing you all at the bowling event on January 6, 2015 in Ferndale!

The Children's Center Donor Appreciation

To commemorate the monetary donation and the new partnership with Rite Aid, The Children's Center added The Rite Aid Foundation to their Donor Recognition Wall at their Midtown location.

Get Vaccinated—It's not just the Flu

Did you know Rite Aid offers a wide variety of immunizations that protect against more than just the flu? Rite Aid has vaccinations that can help protect you and your family against Pneumonia, Shingles, Tetanus, Whooping Cough, Hepatitis A, Hepatitis B, Measles, Mumps, Rubella, Meningitis, Chicken Pox, Diphtheria, and HPV.

By staying vaccinated and up-to-date on immunizations, associates and their family members will live healthier and happier lives.

Haven't gotten your flu shot yet? Ask your store's pharmacist for one. There's a limited supply and they are going quickly!
