

Img9521- Set of two lavender sachets

These gorgeous and luxurious sachets are filled with vibrant lavender scents. This set of two sachets are made of a linen fabric with a beautiful and elegant embroidered strip depicting the lavender flower. The satin ribbon on the top gives a rich and finished look to the sachet. This set of sachets are hand sewn and filled with French lavender for a delightful room-filling scent. Perfect for drawers, closets, cupboards and more, these sachets measure approximately three inches wide and five inches tall.

Img9477 – Set of three heart sachets

This set of three mini sachets are hand sewn and made with an off-white linen fabric. Each sachet has a bright red embroidered heart on the front and is delicately accented with a matching red satin ribbon at the top. These sachets are each filled with French lavender and measure approximately two inches in width and three inches in height. These mini sachets are perfect to slide into sock drawers, a car cabin, or even under the sink for a discreet and delightful scent every time you open a door.

Img9440 – Set of two heart sachets

Keep this sachet near a ceiling fan or vent to fill the whole room with a sweet and decadent scent. This set of two hand-sewn sachets are decorated with a heart printed pattern on white cotton. Accented with a beautiful red satin ribbon, these sachets fill any room, drawer, cupboard or closet with an amazing smell. Guests will wonder where that sweet scent is coming from when they smell French lavender throughout the room. Measuring only three inches wide and five inches tall, these sachets have a vibrant scent that carries throughout the room.

Img9556 – Heart Lavender Sachet

This adorable sachet is perfect to show off in any powder room or foyer. This hand sewn hanging sachet is great to use as a scent-controlling tool or even a decorative piece. The sachet is cut and sewn into the shape of a heart and made from lavender printed cotton fabric. The handle made from an accented bright purple satin ribbon makes this sachet easy to hang on a door handle, on a closet hanger, or any kind of hook around the house. Measuring approximately five inches tall and five inches wide, the heart-shaped sachet filled with French lavender is both functional and decorative.

Img9529 – Hanging Snowflake

For a winter feeling in the home, choosing a snowflake themed sachet is ideal to match the season and other decorations in a home. This hanging snowflake sachet is approximately five and a half inches wide and five and a half inches tall. Designed to hang in a diamond shape, this sachet is made of red and white linen fabric with an embroidered white snowflake shown against a deep red on the front. The sachet is able to hang from a doorknob, hook, closet hanger, or

ceiling fan and fills the room with the sweet scent of French lavender. Guests will find this seasonal sachet unique and clever.
